

Bedford Child Development Center

April 2018 Newsletter

News from the Director:

March was such a fun month! Thank you to all the parents who participated in all of our fun reading month activities. The children really enjoyed all the family members who came in and read to them throughout the month. We are hoping April will bring some much warmer weather but just in case it does not please always make sure your child has appropriate outdoor clothing. All of our classrooms go outside daily even our Infants go for a walk whenever possible.

If your child has been sent home in any of the centers extra clothing please make sure to return it as we are running low. These are supposed to be used as a last resort when a child runs out of their own extra clothing. Please make sure your child has at least 2 sets of extra clothing at the center in case of any accidents or messy play.

I am sure most of you know but we will be putting into place a new attendance record, we will update all of our parents when this system is up and working! Attendance for now will be taken by the staff of each classroom to help keep it accurate.

Looking ahead:

- Pictures should be delivered roughly 3 weeks from the date they were taken. At this time you will have the opportunity to take them home and look over them. You will then have one week to return the money to pay for the pictures or if you choose to not purchase them you can just return the pictures to the office.
- Preschool graduation will be taking place on June 1st from 3:00-4:00pm. We will be putting this on just for the parents/family members of the children who are going to kindergarten in the fall. If you have any questions please see the office.

Dates to remember:

- April 1st Easter
- April 1st April fool's day
- April 6th Ms. Morgan B's birthday
- April 11th Ms. Annie's birthday
- April 12th Scholastic book orders are due
- April 22nd Earth day
