January 2018 Newsletter

News from the Director:

Happy New Year!!! We are very excited to announce that we have officially received our 5 star rating from the state of Michigan!

We will in January be getting our licensing inspection for our license renewal also. This is through the licensing department which is different than our stars program. So we have been very busy making sure all of our paperwork is in place and updated. If you have been asked to fill any paperwork out please do so and turn it into the office as soon as possible! Thank you all for your help with this.

Also I would like to announce that the Toddler 2 classroom is our wall decorating contest winner! Great job to all the teachers for all their creativity and hard work!

Important Notes:

- The center will be closed on the following dates for the upcoming holidays:

January 1st & 2nd

- Tax statements will be sent home sometime early January; as soon as they are ready we will personally pass them out.

Conference sign up-

Conference sign up will be outside your child's classroom in the next week or so. Conferences will be taking place during the week of January 29th. Conference times are as posted and we do our very best to stay within your time frame to ensure enough time for all the parents. With this being said if you have specific questions or concerns please make sure to write them down and bring them with you so we can answer anything you may need within this time. During this time your child's teacher will go over your child's assessment and also any questions or concerns they may have as well.
