

Bedford Child Development Center
March 2018 Newsletter

News from the Director:

March is reading month! We will be asking for our parent's help throughout the month to help show the children how important reading is! Each classroom will have a sign-up sheet for morning and afternoon readers. If you come in and read to your child's class your child will receive a free book! We also will be doing a book swap this year! Your child may bring in a gently used book and turn it into the office, the next day they will be allowed to come to the office and pick a new book to take home. Only children who bring in a book will be participating. We also will be doing an incentive to anyone who orders scholastic book orders in the month of March. For every \$20 spent in scholastic book orders you will receive a free book. Don't forget when ordering online use our school code J3KK6.

Reminders: Tuition is due **every** week the first day your child is in attendance for the week. If tuition is not paid by Wednesday a late fee will be added to your account.
